

“But, I’ll Just Break Your Arm”

The Good Son, when they’re just hanging there and she’s gotta choose.

Sigourney Weaver?

No, Jamie Lee Curtis.

Really?

“I love you, Mom.”

Right, and the girl trapped under the ice.

Who was that?

I have no upper body strength.

Yeah, any situation where I hang off a ledge or swing off a rope or haul someone up. A thousand deaths.

Failblog.

How do you choose between Macaulay and Frodo? You know he’s evil, but still.

The weakest.

Nah, I’d just drop him.

He played that sicko, though.

Who?

“He never screams.”

Sin City.

Which of us would you choose?

Yeah, neither.

Naw, I dislocated it once, but I’ve never broken anything. You?

To drop or to haul up?

Wendy Crewson.

What?

The actress. The mom from the movie. I’m just looking it up.

Wild. I have no idea. I keep picturing—

I guess I’d forgive you. I couldn’t do it either.

From Hamilton.

Fair. Thanks.

But it better be dramatic.

I’d save you.

Wendy’s from Hamilton!

Maybe it’s the short hair. I keep thinking Jamie Lee.

Slow mo. Arms up.

Straight drop into the ocean.

I’d save you, though.

Wendy Mother. Wendy Lady? Something like that.

Just like Gollum, right? Right at the end.

Straight drop.

My precious.

The Good Son is Lord of the Rings.

Nuts.

That’s crazy, right? They’re the same movie.

Keep knocking on wood.

Yeah, one day I’ll probably mangle every bone in my body.

Darling.

What?

I looked it up. Wendy Darling.

You’d owe me. Life.

Oh yeah?
